Business Summary

This long established vending route has over 70 machines in place covering Cape Cod. The business comes with all the accounts in place and fully functioning and includes the snack vending machines, change and bill counters, back-up equipment, replacement parts as well as spare dollar bill validators and coin mechanisms. Also included are refrigeration/freezers for product storage. There are also hand-trucks and other equipment used to move and manipulate the vending machines. The company owns the snack machines that are currently placed at the accounts. The drink machines are provided by Coke and Pepsi from whom product is purchased. Coke and Pepsi also repair and maintain their machines. All vending machines are well maintained and serviceable and are in pristine condition. The company rents a garage size storage facility which serves to store extra machines and parts as well as product. Included are a side by side refrigerator/freezer, a commercial freezer and a candy cooler. During the summer season the route is serviced in two to four days and one or two days during the rest of the year. This is a turn key opportunity. Included in the sale are all the assets of the business including the accounts, snack vending machines, equipment, refrigerator/freezers, replacement parts, trade name, customer lists, vendor list, technology, phone number and other items required for operation of this Turn-Key business along with the company's excellent reputation and good will. The business is offered at \$55,000 plus the wholesale cost of inventory.
